## **RIDER / SPECTATOR / PARENT GENERAL CODE OF CONDUCT**

1. As always, Do not argue with Paul as he is doing the lane draws, he is also scoring the event. He will also be handing out the bikes at the end of the event to who he says are the winners. More importantly do not argue with Paul as he is just a rude person and he does not really care if you have a complaint at all.
2. Due to the amount of wasted time last year going over the hours and hours of video footage from so called parents, friends and the host of television stations that covered our wonderful event to determine if a so called team should have been disqualified there will be no complaints accepted this year if accompanied by video footage. All complaints must include 3D drawings of the alleged incident along with a signed letter from offending team saying they were in the wrong, this is to be signed by all 4 riders and manager.
3. If you do however have a complaint about anything else, please make sure you bring this up at the 2011 DK relay and the tribunal will advise the outcome in 2012.
4. If you are still not happy, see rule 5.

The Hills BMX Club is proud to be associated with DK and we thank them for their wonderful support over the last 6 years.

If you need a new bike please consider the DK range of bikes available.

Now let's have heaps of fun.

Lots of Love from everyone at Hills BMX Club.
