We are back into the racing this Friday night 12 August. This is a point's night for our club competition. Registration opens at 6pm with warm up at 6:15. Racing to start 7:15.

You can register online by sending an email to karratharegos@hotmail.com by 7pm Thursday with name of rider, age group/class, plate number and registration number.

We have three weeks of racing before the Port Hedland round of Northwest Championships.

Track Riding outside an organised event

The track is available to all club members to ride on during the week at the club members own risk. If you do choose to use the track you must water in the 3 corners.

Watering the corners holds the track together and the riders do less damage to the track, so a bit less maintenance during the year.

If you want to use the track, water in the corners before riding.

Karratha Super Series 8 / 9 October 2011

Accommodation wanted.

If you have any accommodation available can you email the club at karrathbmx@westnet.com.au This could just be a grass patch out the front for someone to put up a camper trailer or you have a spare bedroom. This will help out competitors who wish to come up for our super series event.
