### Friday Night Racing

Ninety seven riders took part in last Friday night's racing. Daniel Sprague (Super Coach), up from Perth, even pushed his pedals around the track to show how it was meant to be done. There was, as usual, lots of close racing being magnificently commented by Peter Lyon. Remember that next Friday Night there will be no racing here in Karratha as the last round of the North West Championships is on in Port Hedland. "Be there!!!"

### Daniel Sprague Coaching

Last weekend was a great time for the riders to polish their skills and get some hot tips. For most of the riders that attended they achieved new heights. Well done Daniel and the coaching team.

### North West Championships, Port Hedland

The NWC presentation will be held on the Sunday 4<sup>th</sup> September at the Port Hedland Golf Club. There will be a breakfast provided (9am) and then the presentation. Port Hedland Golf Club has also offered an area for people to camp at the golf club for the weekend for a nominal fee.

### Karratha Racing (Not This week)

You can register online by sending an email to [karrathabmxregos@hotmail.com](mailto:karrathabmxregos@hotmail.com) by 7pm Thursday with name of rider, age group/class, plate number and registration number.

### Club Polo Shirts

Club Polo Shirts should be ready this week. As soon as they are delivered an email will be sent out as to where they can be picked up. For those going to Port Hedland they will be brought by Rodney Gethin and you can tackle him there. Rio Tinto have asked for a slight change to the polo shirt, wanting their logo on the sleeve rather than on the front pocket. We have complied. A second round of Club Jerseys will be available soon so send a email or talk to Rodney. To see what size you want find someone that has one that you think may fit you and check the tag for the size.

Bryan Retter of SpinFX Audio has put together 2 videos with his own sound tracks .They are brilliant and worth a look. Follow the links below.

### Accommodation wanted.

If you have any accommodation available can you email the club at [karrathabmx@westnet.com.au](mailto:karrathabmx@westnet.com.au) This will help out competitors who wish to come up for our event.

This could just be a grass patch out the front for someone to put up a camper trailer or you have a spare bedroom.

This will help out competitors who wish to come up for our super series event.

### Track Busy Bees

The track has been holding up very well over the winter but it is starting to get soft in patches. We do need to do some work to get the track ready for Super Series.

Can you please review the Karratha BMX calendar for dates of our planned busy bees and make yourself available for a couple of hours to repair the track.
