

## Club Volunteer of the Month

October 2011

Congratulations to **Karen Stone**, Club Volunteer of the Month for October at Bunbury BMX Club.

Karen has been added to the list of Winners for the Club Volunteer Rewards Program put in place by BMX Sports Western Australia.

Karen has been a loyal member and regular volunteer of the Bunbury BMX club for the past 4 years, assisting with providing First Aid at regular Wednesday night racing and other club sanctioned events. As probably the hardest volunteer duty to fill each week we have never been caught short as Karen willingly steps in to lend a hand when someone is absent from their rostered on duty.

Karen has always diligently completed any necessary incident reporting as required and has been a true champion for the Bunbury BMX club.

Sporting the fluoro green vest, Karen has attended to many scrapes, scratches and bruises and turned tears into smiles.

Karen will be presented with her \$100 Voucher and Certificate by the Bunbury BMX Club, we hope she will continue to inspire and encourage others to Volunteer at Clubs around Western Australia.

Congratulations again Karen
