Hills BMX Club awarded Byford Super Series

As you would all be aware Byford BMX Club had some bad luck with their canteen being burnt down a little while ago.

With that in mind Byford informed BMXWA that they would need to withdraw from the February 2012 Super Series, as were unsure about when it would be rebuilt.

An EOI was sent to all Metro Clubs (as the event was metro) asking them to put in for the event.

Super Series 3 at Southern Districts all Clubs that had sent in their EOI were drawn from a hat, with Hills BMX Club being the lucky winner.

Please change your calendar or print a new one with Sunday February 12th 2012 Super Series to read Hills BMX Club.
