

Vendor Policy - Super Series

The Host Club at all BMX Sports Western Australia Super Series Events has full control over the Vendor Fees, and placement at these events. All Vendors MUST be approved by BMX Sports Western Australia minimum of two (2) weeks prior to the event.

Clubs should ensure that vendors they are seeking to use may not be a company producing tobacco, alcohol or pornographic products or a company involved in sports betting.

Clubs should have a completed application form the Vendor stating:

- Company Name
- Contact Person Name
- Address
- Contact Phone
- Products being sold
- Ensure the vendor has current Public Liability Insurance (compulsory)

Clubs are then to send a copy to BMX Sports Western Australia for approval. Once approval has been granted, an advice letter from your club should be sent to the vendor.
