

BMX Sports Western Australia

Byford Super Series – Sqorz

Dear Members

BMXWA are trialling the Sqorz computer scoring program at the Byford Super Series.

Things may look a little different, some may already be using the App at Club level.

Please be patient, we will be there to assist during the day.

*****Riders with a transponder will be required to attend registration with their bike & transponder in order to register. (If any details are incorrect when you are registering with your bike/transponder please go to the registration window)**

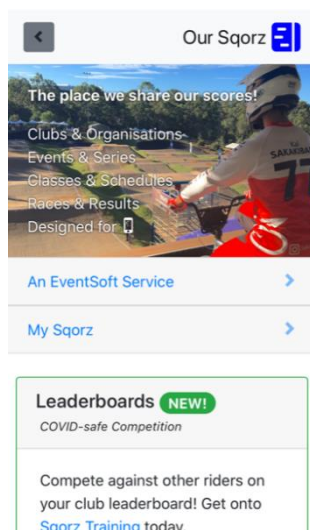

Those without a transponder (Mini Wheeler, Sprockets, and Novice) or those hiring a transponder please bring your current BMX licence (Virtual Card) as normal.

Please see the below steps to assist you with getting started with the App.

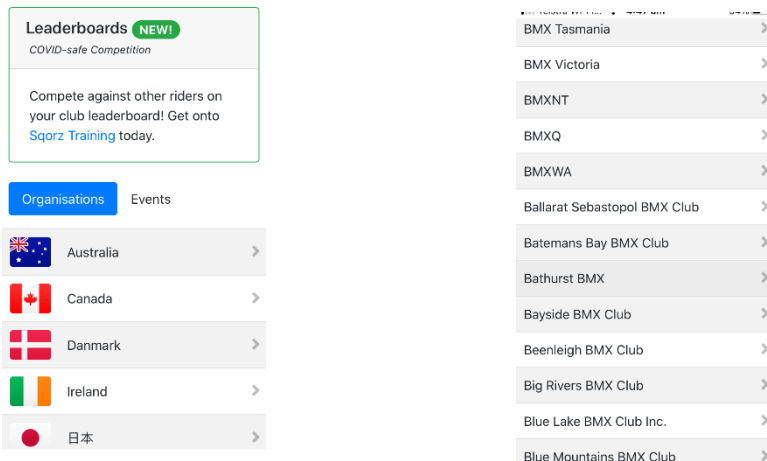

1. You will need to download the “Our Sqorz” app to your mobile phone.

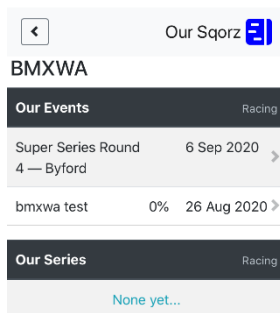

2. Once downloaded, select it and you will see the below main screen.

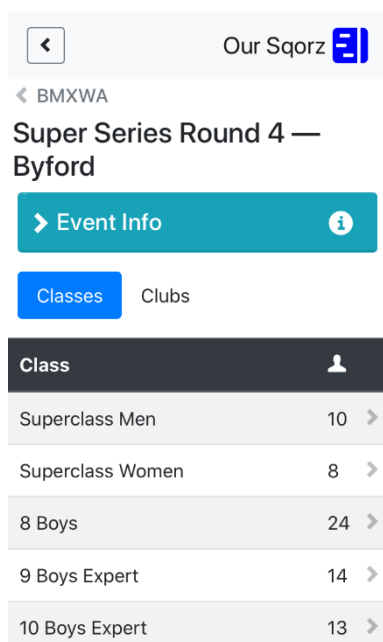

3. Scroll down the page and select “Australia”, and then select “BMXWA”

4. Select the event – “Super Series Round 4 – Byford”

5. You will then see the event info details, individual classes that you can click into, and then into individual riders and if you scroll down the page the schedule and moto order.

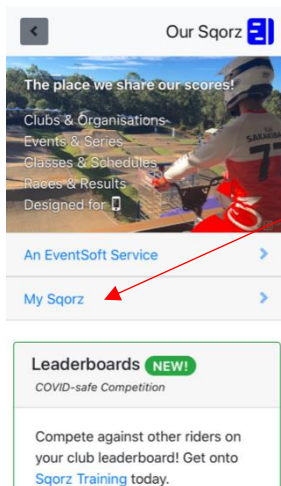

RIDER TIMES

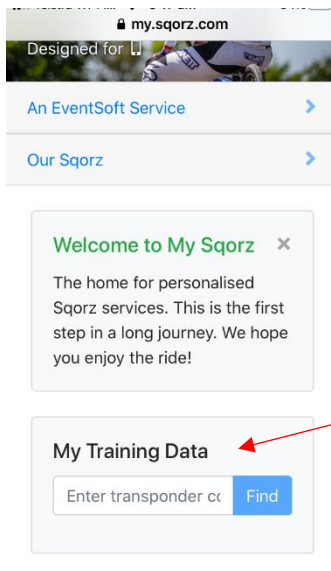

All riders that have a transponder can also do a quick check and see your times during the day.

1. Click into Our Sqorz app

2. Select “My Sqorz”

3. Scroll down and you will see “My Training Data” – enter your transponder number.

Please speak to someone at registration if you need assistance
